The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

· GREAT DIVINE DIRECTOR'S DISCOURSE ·

· Newark, N. J.—May 18, 1938 ·

BELOVED students, to-night, in that which I wish to do for you, and which you have made possible by sending forth Love and Gratitude from the center of your being, We shall take your Love and Gratitude and amplify It with the fulness of the Great Power and Presence of Light. We shall render for you a Service which will be ever-lasting.

May I call your attention, in the beginning, to the Great and Almighty Truth that things don't just happen. Why do you beloved ones find yourselves here from all parts of America

to-night? Surely, every one of you must know that every time a Dictation is given, a Mighty Power of Light is released to do for mankind what they cannot do for themselves.

You, as Students of the "Mighty I AM," who are making your earnest calls, are daily and steadily finding yourselves in greater command. As you continue to give obedience to the simple laws of Life, standing in the fulness of Its Power and Radiance, you can call forth from the Presence of Life whatever you require in the outer world. Remember I say—"whatever you require"!

Do not give way any longer to human appearances which have deprived you of what you require, whether it be your own creation or someone's else. The time has come, beloved students, when you shall step forth Free if you will keep up your Mighty application and use the Violet Consuming Flame. I charge you, to-night, with the Divine Memory to use that Violet Consuming Flame as you never did in your lives.

Be reminded, beloved ones, that you are standing in the greatest destructive accumulation ever known on the earth. On the other hand, you are standing in the Greatest Release of Light ever known on earth! It only requires your UNDIVIDED attention to the Power of Light to have Its Power acting in your world; and if you as an individual, a decreer for your world, will not stand, will not give to the Presence of Life the obedience which is required, then can any one be blamed but yourselves, if you do not have the Perfection your hearts crave?

We have been very lenient in awaiting the obedience of the students. We have prompted you from time to time that your time was not indefinite; that there was a limited time in which mankind could apply this Law and have their Freedom.

The magnificent achievement of the students thruout America and in all parts of the world is gratifying in the extreme; but still you cannot be sure you are out of danger, dear hearts. I mean by that—no person living is Free, wholly Free to the extent that such a person can rest on his or her oars. IT MEANS CONSTANT SINCERE DETERMINED APPLICATION UNTIL YOUR ASCENSION!

Remember, as you increase and intensify your vibratory action by your call to the "I AM Presence," it must necessarily be so because you must realize that you become more sensitive to every condition which exists. You cannot become sensitive to one and not the other, but it means you must be

firm and unyielding in the Presence and Power of Light.

The students everywhere, to-day, have sufficient understanding to stand unyielding in the Presence and Power of their own Life for there is not one thing to describe. There is no instruction in the Universe except concerning your own Life. Please analyze this! You who have studied along various lines, be sure that you have cleansed and purified yourselves from all conditions of the past and of your human concepts of what you have studied.

You remember many months ago, I asked the Messengers to place in the magazine My Request—that if one wished to be free QUICKLY, to dismiss and forget whatever that one had studied and apply this Law! That is not a request to deprive anyone of anything but because We know that this Law alone will produce the Infinite All-powerful results which nothing else in the world will do.

Until mankind are willing to let go of the things that have not produced results for them, they will still remain in their limitations. This Law is as simple as your A B C's, and is All-powerful in Its action, when applied with earnest sincere intensity. Like everything else, you must be determined in your application to break down the accumulation of the centuries.

My dear people, you have accumulated discord thru thousands and thousands and hundreds of thousands of years. How long do you suppose you have been on this planet? Do you think you are old at three score and ten? You are really more than four million years old. Dear ones, you have not hatched out like chickens from an egg. Remember you are a projection of the Light Ray from your own "Mighty I AM Presence." Because mankind had forgotten the Presence of all Life, that Presence has had to send you back again and again and again, thruout thousands and thousands and thousands of years; but there was a time when you expressed all Perfection, a part of which is anchored within your heart to-day.

Think of it, beloved ones! Now this is not a thing to be discouraged about, but I am firing you, to-night, as never before into action to take command of yourselves and your worlds and stop all human nonsense and creation from acting in your world so you stand forth free. You can do it, if you will only believe Me and GIVE ME YOUR INVITATION to set you on fire with the Power of Light, and it won't burn you either!

Now dear people, let us go into action with the Full Power of the Light of your own Being. As you observe this Chart and see that you are a Part of that Great Infinite Power of Light and Intelligence, you can see, you have only been using a fragment of what belongs to you—of what you could use once you understand that "I AM Presence" and call It forth into action. Now, to-night, do it! and don't wobble around any longer! Go into action I say to you, TO-NIGHT, by the Power of your Inner Light and charge It into action.

My dear people, the Messengers have asked you to charge yourselves every night before you retire. If you had done this in these four years, with the full intensity that is at your command, you would be Beings of Freedom—completely to-day.

You must take command of your attention! It leads you to the heights or drags you to the depths! It is the most powerful faculty in human existence, and if you will do this —be determined to govern your attention and make it stay where you want it, you can do it!

The Blessed Ones who have talked to you recently have constantly called your attention to the fact, that you can charge your attention from one point to another and that is all there is to it. Don't say to Me, dear hearts: "Oh I can't keep my attention upon this point or that." YOU *CAN* KEEP IT WHEREVER YOU WANT TO AND MAKE NO MISTAKE ABOUT IT!

When you want a thing enough you will do it, because there is no opposition to that determination which is the Power of your Presence acting! Dear ones, don't yield to the thought and feeling that you cannot call and receive the All-powerful Action of your "Mighty I AM Presence," just as well as anyone else. You have the same Mighty Presence beating your heart that the Messenger does, and that I have become.

Saint Germain said to you once: "The only difference between you and We who have attained Freedom is thought and feeling, principally feeling." I say to you, to-night, that WE SHALL BRING IT ALL DOWN TO THE GOVERNING OF YOUR ATTENTION; BECAUSE YOUR FEELING WILL FOLLOW YOUR ATTENTION, IF YOU KEEP IT UNDER GUARD ENOUGH!

Do you know what actually goes on within you? Your feeling might pull this way or that, but thru the focus of your Intelligence, which is the Power of the "I AM Presence,"

if you focus your attention—for instance upon that clock and hold it there—no matter what your feeling or thought is doing, it will only be a few moments perhaps not more than a few minutes, until ALL will draw into action in your attention focused upon that clock. That is the power of concentrated attention and every one has it! It is only a matter of your determination to make your attention stay where you want it! Therefore, that means Mastery of yourself and your world!

While I am talking to you, to-night, a Great and Mighty Work is going on within your invisible world; for as you have so often been told, remember that in this Great Understanding all cleansing and purifying goes on from within out. If you are not impatient, some day greater outer manifestations must express. Go on with your great adoration to the Light and your powerful application, then the results in the outer world must come. The manifestation is compelled to come into action. There is nothing in the world to prevent it; but if you become impatient and simply stop because you have not produced certain results, well where would you be?

If you start a business and say: "Well I have not made fifty thousand dollars this week, so I will stop," where would you get? This is as practical as anything in the business world ever was or ever will be. YOUR LIFE IS THE MOST PRACTICAL THING IN THE ENTIRE UNIVERSE! What makes the practical activity of mechanics? Your own Life! What makes the practical use and application of your industries and business in the outer world? Your own Life!

Beloved people, observe that Chart! and see there—thru that Great Stream of Light and Energy, is everything that ever came into form on the face of the earth. It came forth as an idea and then gathered about itself the substance of earth and it became a form of action in your use. Think of it! Think of it, beloved ones! Think of all the magnificent ideas of invention, music and art; of all that goes to make for spiritual culture, whether it is the crudest mechanical instrument or whether it is the highest Beings in the Octave of Light. All came thru that Stream of Light and Energy because these Beings who are Ascended Masters—the Legions of Light and many of the Great Cosmic Beings, are Beings Who have lived here in physical bodies similar to yours; but the GREAT COSMIC BEINGS NEVER MADE THE MISTAKE THAT MANKIND OF TO-DAY HAVE MADE

because They continued on from those two Golden Ages in the Great Perfection They were in then. They did not lower Themselves into the density and limitations which mankind have since. Therefore, they went on in that Great Perfection and became the Great Cosmic Beings which They are to-day.

I too once, a long time ago, lived in a human form, but I never reached the limitations of mankind of to-day. I held fast to that Great Presence of Life. I saw dropping away in that age, My friends, whom I loved, because they would not believe that the Power of their attention was the thing which was pulling them away from the Presence of all Life and Perfection and too late they found it out.

Can you believe Me, to-night, when I say to you in that far off age, I was rendering a Similar Service to that which the Messengers are rendering to-day? and YOU HAVE NO IDEA OF THE POWER AND THE PULL WHEN THE ATTENTION BEGINS TO BE LOWERED.

I did not have to go thru the present means of birth. I went forward from that last time when the two, the father and mother, projected the Light Rays and the form was there ready for action. I went on from there and I never had to go thru the limitations of mankind. I am sure this will be very joyous news to the Messengers, for this is the first time I have made this known. I want you to know why I AM AUTHORITY—why I am in a position to render a Service to mankind which few among the Ascended Ones render. Because the Law, the Cosmic Light has made Me that Authority, and that is why such tremendous Service has been rendered to the City of New York. Since this call has gone forth here, to-night, I shall start into action to-night, that Service for your city.

The wayward children of earth are like infants playing with dynamite, and in all that We have said, knowing the great need of mankind, still they go on having discordant feelings toward each other. A few drop aside and condemn and criticize the Messengers. Dear ones, it is you who are seeking your Freedom. If there is anyone in this room, to-night, who does not believe that I AM THE PRESENCE WHO I AM REPRESENTED TO BE FLASHING THESE WORDS BEFORE THE MESSENGER, then you are in your wrong place, and I mean that.

Dear Ones, We are no longer going to spend time and energy, attempting to assist people who will allow themselves

to be governed by those conditions. You have had four years to see the honesty and sincerity of the Messengers and if any one wishes to believe the vicious lies told about them, then We have no further energy to give! I make that clear, and I shall do so in the coming class! Mankind are going to make up their minds, and if they do not believe the Messengers are honest and sincere, they should not come about them; because ere long, This Radiance is going to become so powerful that you will be sorry for coming into It, if you are not sincere, and don't forget it.

We are not talking idle words. We are here to free the children of earth who want to be free and We are not going to waste time on people who disbelieve! We have Infinite Patience and see when individuals are making the effort of sincerity, but they cannot fool Us, and don't worry about it. You may deceive each other, but you will never deceive Us! We know your every thought and feeling—every one!

The people who come into these classes in the future to spy on the Messengers and spread falsehood, will wish they had never been born in this embodiment! WHEN THE LIGHT REACHES A SUFFICIENT INTENSITY—AT THE CALL OF THE MESSENGERS, IT WILL TURN BACK UPON EVERY VICIOUS HUMAN BEING HIS OR HER OWN DESTRUCTIVE FORCES, and if they do not believe it, they will find it out.

Now don't think Me severe, but I am telling you the STRAIGHT PLAIN TRUTH—straight from the shoulder, and We are always sufficient to fulfill every requirement. Every one knows that We never use a destructive force of any kind. We never pour forth anything but Love, kindness and blessing; but that does not mean that We cannot be as firm as necessary in whatever is required in order to shatter and consume mankind's qualities which have held them in bondage.

Do you think for one moment, because individuals have not yet come to the point where they can realize how they are being held in bondage in getting along in these limitations, that it stops Us for one moment from rendering this Service? When We see the Light in the hearts of each one, do you think We listen to human opinions or what they may think or feel or see?

When We look at the Light within the heart of the individual, We know everything that is there—even the feeling

world of the individual, and what that Light can do for that one. This is why I say, to-night, in the great need of to-day, We are not continuing to supply Energy and give Assistance to people who are not honest and sincere, and who will not stop this silly human gossip.

I tell you dear ones, you know the Law! You have the Power of your Presence to govern your feeling and speech! Govern it! There is no use wasting time and energy when mankind won't do it! Human opinions, dear ones, are no more than a feather in a gust of wind, unless they proclaim Perfection; and the time and energy that individuals waste having opinions about someone else, is enough to raise them into their Ascension and don't forget it!

As long as you continue to have human opinions about someone else, you cannot win your Victory. What their mistakes are is none of your business! The fact is, that whatever quality is revolving in your feeling world, is being charged forth by you to act there, and you cannot prevent it!

Dear people, I plead with you to-night! Don't you see it is not a matter of person, place or condition! It is a matter of the quality that is acting within you! That is the only important thing! What somebody else is doing is none of your affairs! What is being called into action in YOUR world, YOUR FEELING WORLD is the thing that is going to lift you to the heights or drag you down into deeper limitations! When We see blessed ones who are so earnest and sincere making their application so earnestly, and then thru some little irritation, they turn and forget all about it for the moment and go on with the old criticism and condemnation—how in the Name of God can you expect PERMANENT POWERFUL DEFINITE RESULTS, if you are going to do that? Dear hearts, I am determined that you who are in this room to-night shall never do that thing again! (applause and standing)

Dear ones, I thank you for that response within your hearts! That is Real! Oh, not because of your outer manifestation, but because of that Light which I see released from your hearts; and if you will give Me co-operation, I assure you that you shall not go on in these conditions. Won't you be seated?

Again I say to you, beloved ones, why have you been drawn here from the various parts of the country? Oh, dear hearts, because your Light drew you to Me to-night! Do you

not see that? How could it be otherwise? Why are not so many hundreds of some others here? Because your Light answered My Call, and you are here because your Light called for this Service to be rendered to you.

Oh, that all mankind could only see, that it is the Action of the Great Law within mankind. Once It is given an opportunity and invitation to act thru great adoration, It WILL take command of the human forms and their activity and It will release the Power of Light and Perfection to flood the being and world of each one!

Oh, let Us help you to determine, to-night, never to allow any more inharmonious feeling to act within your world because, dear ones, it is only yourselves who are being harmed. Think of it! Let us just draw one or two or three illustrations and show you how the Light is acting constantly within individuals.

Suppose you see someone in the outer world doing something that you know is deception—is not right—and then you begin to revolve that feeling within you, of the fact that that individual was occupied with such and such an activity. With your continued attention and holding your feelings upon it, you are calling that same quality into your feeling world which MUST act there. It HAS to do it!

Precious ones, do you not see the mighty energy wasted and the danger that you are calling upon yourselves constantly, by allowing your feelings to revolve upon discordant things? It is worse when your criticism is on the individual who is a child of God. It is not quite so serious, if it be on conditions, but when you condemn and criticise a human form, in which the Life of God is acting, you are condemning and criticising Life, which dare not be done!

It does not make any difference what the individual is doing or how such a person is misusing his or her Life, that has not anything to do with you; but the qualities you are calling into action within your feeling world have everything to do with you. I am determined to make this so plain and clear, to-night, that you will be able, beloved ones, to govern those feelings within you.

Now, let Me say something that might seem almost startling to you, but it is every word true! Do you know that you who are in this room to-night, if you would control every feeling and keep it absolutely happy and harmoniously charged with the Power and Light of your Presence—as you

move among mankind in your environment, my dear people, you could lift everybody in the environment in which you are moving? Because that would be the Power of Life unqualified by human qualities and the Power of the Light within Itself is sufficient to raise a whole city; if one individual stood there dauntless in the releasing of that Great Power of Light!

How do you suppose in India and some points in Europe, when an Ascended Master goes in His Tangible Body into a city, every human being in that city knows it? By the change of Radiance released and the Fragrance covering the city. Do you know that your Life, in Its Purity, has the most magnificent flower Fragrance, magnificent beyond any flower that the outer world knows, to-day? Sometime perhaps, I shall release It for you, that you may know the Truth of My Words; and from your Higher Mental Body can come the same thing.

Remember, beloved ones, your Higher Mental Body is a Body of Blazing Light, Purity and Perfection from whom you can have the answer IMMEDIATELY to every call you make—as soon as you stop generating inharmony within your feelings. It would naturally flow forth and cleanse and purify, but when you understand your "I AM Presence" and then make earnest determined call, you DO NOT have to wait for the Natural Activity of Life to act in Its gentle way, you can release Its Greater Power for at your call, the Power of Life MUST respond! It cannot fail you in a single instance!

Therefore, remember your Opportunity, your Authority and your Power of releasing this Mighty Energy is without limit! Once the feelings remain harmonious, your calls will be answered with the speed of lightning!

How is it the Messenger has told you so often the difference in even two years ago and to-day? Four years ago, it required days and weeks of application to bring about a result. To-day he can raise his hands to the Presence in one sweeping decree and accomplish more than weeks of application four years ago! That is because he is not allowing inharmony to act within his world, and with all the conditions that he has had to meet and all the falsehoods that have been uttered, still he goes serenely on, knowing the Power of Light is All-powerful; that It knows no resistance or interference; and when his call goes forth, he knows It is the Power of Light that has gone forth and nothing of human creation can interfere with It for a moment!

I want to prompt you again to-night, beloved ones, you who are Group Leaders and students who want to give assistance. When you have made application and called the Powers of Light into action for someone's assistance, and you don't see the Out-picturing of it immediately—do not ever in the world—allow yourselves to feel that your application is not working.

Remember, there are two conditions to be considered. If the indiviual is too much out of harmony to accept the call which you have made, the fault is not yours but in the individual for whom you were making the call. Therefore, I prompt you, do not allow yourselves to feel this of which I shall speak, because many of the students have said and felt: "Well why don't my call give assistance there?" It might have been, because doubts were lurking unknown to you in your own feeling world or because the patient was not in a sufficiently receptive mood—I mean by that in the feeling.

Now, remember to hold that definitely clear, when you make the call to your "I AM Presence" to give Assistance. First, let us take the individual to give the assistance in healing: Your Higher Mental Body projects a Light Ray which is Self-luminous Intelligent Substance. It enfolds the human form of the one who is calling for assistance, and if you will charge that to remain active, until the healing is complete, nothing in heaven or earth can prevent It acting!

Now, suppose your patient was too much out of harmony, and I do not mean by that in pain, We are not talking about that now; but We are talking about their own feeling being too much out of harmony to be able to accept the Substance in that Light Ray. If you called for that to be sustained, do you know what would happen? That Light Ray would stand where you sent It—held about that human form, until the day when the person became sufficiently harmonious, if it was twenty years. That is what the Power of Qualification means! That is what unyielding determination means, once you come to understand this; and you are not going to forget this to-night! This will stand as a Blazing Light in your feeling world to keep you reminded of these Mighty Truths; because It is your own Life that is talking. "I AM" your own Life, because "I AM that Perfection," which you wish to be!

Now beloved ones, remember this, when you call forth the Presence. Suppose you are wanting assistance in your

physical body—Perfect Health for instance. Reach your hands to the Presence and call Its Mighty Currents of Energy to charge in and thru your mind, your body and your feeling world; to cleanse, purify and sweep out every imperfection; to dissolve and consume it in the Violet Consuming Flame about your feet. My dear ones, there is not one condition in the world that cannot be governed or cannot be removed.

Here is a very delicate point which concerns many many people and I am going to try to make it clear to you to-night. Suppose in your application there is something in your feeling world which is not allowing your call to find Its Full Power of action because your attention has been fixed upon outer assistance, and is still in your feeling turning to that or some outer assistance which is required. It would be far better to have that outer assistance, relieve you from the pull of that thing and allow you to come back into your firmer more powerful application than it would be to go along and each day lose ground as the greater doubts and fears creep into your feeling that you would not be able to handle it by the Power of your application.

Let us be so practical to-night! Now notice this. If such a condition exists in your feeling world, and you can accept outer assistance and still give the Power to the Presence of whoever is assisting, you have not interfered with the Presence. Suppose it were an operation—if you can accept that as the Power of your Presence acting, then you have not interfered with your application in your call to the Presence. It all depends on your attitude of feeling in receiving outside assistance when you don't feel able to cope with it by your own Power of application. Now watch this and be so practical!

Beloved ones, I say to you, be so careful what you say to your fellow students. If they are in some distress, don't as your Life depends upon it, say to them: "Well why don't you apply the Law?" Be careful! You may want to apply the Law some day and not be able to do it because that very thing you have said starts the same limitation into action in your feeling world. What you condemn in another, you are not past committing. So be careful! Rather say to that one: "Why blessed ones, you have all the courage, strength and power to apply this Law to your Freedom"; but whatever you do, don't condemn one of your fellow students no matter what their mistakes have been. How do you know what forces are playing upon that individual of which you know nothing?

These are GREAT PRACTICAL LAWS, beloved ones, and I want you blessed students now to enter in thru those Gates of Freedom, which are Harmony and Happiness. You cannot be happy as long as those feelings are acting and you cannot be happy as long as you have a discordant opinion about someone else.

Dear ones, do you think it is easy when many times the Messengers see those about them who are not willing to give the necessary obedience and sometimes by just a word of prompting they could prompt them; and yet the Law of their Being says: "No, you may not do that"—because those individuals are being trained to stand upon their own feet and be alert to the requirements?

You already have such tremendous application, but I think it would be wonderful, if you would all constantly call individually for the Alertness of your Higher Mental Body to act and prompt you constantly. It would be wonderful! In many of your wonderful Decrees, there have been some most wonderful things. I tell you, beloved ones, in that Book of Decrees there are fifty Decrees, any one of which would give you your Freedom. You have no idea the immense value that is there; but shall I say something again that might sound severe, altho it is not: "Do you know what the action of the human qualities of mankind is to-day and always has been for that matter? It is constantly reaching and reaching and reaching for more and what is back of that in the individual who is reaching out?

First, the desire to be free; and the other, which is not so happy, is the hope that something will do it for them. Do you know that? Won't you, beloved ones, be alert, watch, prompt yourselves and see if any of those qualities are acting within you? Never I tell you, beloved ones, in the history of the earth in two and a half million years, has there been such magnificent practical Understanding and Application of Life, as you have within your hands to-day.

The Book of "I AM" Discourses, the Ascended Master Discourses and the Ascended Master Light—the next book that is soon to come off, contain in any one of them the Freedom for all mankind. Now I want to prompt you again to-night, beloved ones. When you have this other book in your hands, remember the Book of "I AM" Discourses, the Ascended Master Discourses and the Ascended Master Light—every Word in those books is from the Ascended Masters. They

are the Ascended Masters' Words which are Cups that carry Their Qualities into your feeling world. As your vision is upon those words thru your attention, when you are reading something that contains the Power of Radiation which They do, your "Trinity of Action" is acting in concentrated form. Your Attention, your Vision and your Power of Qualification are all acting thru your vision and attention, while you are reading those Words.

That is not like reading human words. Of course, they are words of your vocabulary, else you would not understand them but they are made to express these Mighty Laws in the simple childlike language which everyone can understand. I plead with you, cherish those books as the most valuable things that ever came into your possession, if you want to be Free; and study them every moment you have. There is no thing in the world that will bless you so greatly. You cannot pick up one of those books from Unveiled Mysteries on and read a chapter, that you do not receive a Blessing which cannot be obtained anywhere else in the world.

Therefore, to-night, beloved ones, remember that My Firmness is so great, because My Love for you is so great. I congratulate you blessed ones who have been drawn from various points to be here to-night. I congratulate you in all sincerity. Life is so magnificent when understood, and remember every Word the Ascended Masters have given you, is your own Life speaking to you! Won't you feel that and let Its Mighty Activity charge your being and world?

We want you to be Free from all old ideas, from all things that seem mystical or unusual. Life is so Magnificent, so Transcendent, but Perfectly Natural! Even in the things that We do from Our unlimited Power, It is still just all Life acting—in an Octave where there is no imperfection; but here where you still require the perfecting process, then as you call forth from your Presence this Power of Light, It is because you require it here. We who have been willing to render this Service to the earth and to you, feel it is quite wonderful to see your welcome. Think of it!

Oh, your Beloved Saint Germain! Can you, for a moment, feel His wonderful Feeling and praise to you who have been so loyal and staunch to the Light of your own "I AM Presence" and to your calls? They are making it possible for the Service to be rendered which He has so long attempted to render and only as the Messengers went forth, has It borne fruit or permanency.

Look at yourselves in comparison with Europe to-day. When Saint Germain taught Napoleon, He attempted to prepare a condition there to bring forth this identical knowledge. In his youth he was so humble, so humbly obedient; but when he began to see the Power of Achievement and some of the sinister individuals whom he did not suspect, began to pour into his ears, their subtle vicious suggestions, he—not suspecting, took them into his feeling world. Soon, that human arrogance began to act, and even to the one he loved more than his own Life, he said: "Now I shall take command," and he meant the human "I." Saint Germain, knowing his great danger, tried every means at his command to show him the Truth; but when human egotism rushes in, Perfection temporarily rushes out.

I say to you beloved students and Group Leaders who are here to-night: "Whatever you do, as you value everything that is sacred and precious to yourselves, do not ever allow egotism to come into your feeling world—no matter how great your achievement may be. Always be humble, kindly and patient. If you do not, you will soon find you have no one about you.

We have seen some of our precious ones whose Light was so splendid, by contacting certain individuals accepted into their world conditions which those individuals were expressing and they did not know it. Can you imagine anything that makes one's heart ache more than that? For when discrimination is lacking, destructive forces rush in and where kindness fails to act, then again irritation and disturbance will rush in.

We are dealing to-night, beloved ones, with the GREATEST FUNDAMENTALS of Life anywhere in the Universe. For a few moments, while I am releasing this Great Radiation to you, can you realize with Me what it would mean not to have It? Suppose you did not believe you had a "Mighty I AM Presence," a Higher Mental Body and that your Life just came from somewhere, can you realize what your feeling would be? Once you thought that perhaps. For a moment, analyze your feeling and see the change that is in you to-day, since knowing this Great Individualized Presence of God, the "Mighty I AM," Who is the Greatest Intelligence and Power in the Universe, Whose Ray of Light is anchored within your heart giving you Life, Light, Substance, Intelligence, Energy and Power with which to act. That is a vastly different thing.

There in your Presence, you have come to the Point and Power of concentration. Now, look at the difference between your efforts at concentration in the greatest you can command to-day and in the limitless Power of turning your attention even in the gentlest manner to your Presence, the Source of all Life. That is a mighty point of concentrated action by the Power of your attention and would bring to you Infinite Limitless Results. It only requires your unwavering attention upon the "I AM Presence" and Power of Harmony and Perfection, which will allow naturally that great cleansing, purifying Current and Power of Light and energy, to charge in and thru your body, your feeling world and activity to do Its Perfect Work.

Now then, in the added Power of your call, let Us try to make a little comparison. Thru your Understanding, to-day, in your determined call to that "I AM Presence," it will intensify the release from your Presence a thousand fold, compared to what it would four years ago without knowing your Presence. You must see that. There is no such thing as failure in the Life of the individual who will stand firm and unyielding in the acceptance of the "I AM Presence"; that It is there; that Its Power released is Light which knows no opposition; that each one is the Authority in his or her world, as to how the energy is going to act; and that in the simple understanding of the requirements of harmony in the feelings, the Natural Law of each one's Being will compel that Power to cleanse and purify, because there is no longer human qualification going on.

These are points that the students are now where they must grasp and stand unyielding in those mighty points of simplicity, Mighty Simple Fundamentals. Then, as you go on winning one Victory after another, it becomes the most joyful thing in the world.

Here is just one more illustration. Dear ones, you truly have so-called individual problems, and yet they are just opportunities. Look at the Messengers. They have conditions of cities and the whole nation to meet. Do you realize what that means in comparison with your individual problems? Look at the conditions which have threatened every city; and yet, when they come into the city, that human creation melts as snow in the morning sun because this Light is the Sun of Eternal Life which they call forth and It knows no opposition.

There is no honest person living to-day who can fail to see that because its manifestation has been continuous for

four years. Remember their first visit to Los Angeles, when they were infants in comparison to where they are to-day; yet the same Power acted, for We, because they were so sincere, released a greater Power to govern the conditions there. It was done, just the same as to-day.

The same condition exists with you beloved students, to-day, in your individual activities. We stand ready to give you the Courage, Strength and Power thru your sincere application if you will stand unyielding in the attitude that It cannot fail. Don't you see that, beloved ones? I could project in one instant, Mighty Light Rays to every student in America and the world. Do you think in any wise I am limited? However, if the students do not want to give the obedience and do not want My Humble Help, then of course I shall withdraw.

Beloved ones, I know in your great sincerity you do feel, but try to feel more and more powerfully Our Love and Willingness to give UNLIMITED ASSISTANCE to your honest loyal and sincere call to your own Presence of Life. That is all We require. You do not need to worry about your future achievement and if you will do that, if you will just continue to give loyal honest sincere attention to your Presence of Life, you will not need to worry about outer conditions being adjusted.

Dear ones, in the most terrifying human conditions that could appear before you to-day, any one of you, if you were to stand perfectly serene, look at it and say: "Why you have no power! You cannot frighten me! 'I AM' the Power of Light here," what could you do? In that great calm joyous serenity the Power of your Presence would flow thru—possibly at first just like a Gentle Stream, and then if the necessity demanded, It would rush forth like an avalanche and dissolve everything that was there before you.

All of these things which are limiting are human creation, beloved ones. They have no power as long as you do not feed your Life into them to frighten yourself! Please understand that. You will never know distress again in your world if you only understand that. Why! all these conditions which suddenly loom in front of you are but human creation and have no power.

Now let Me put another point before you. I do not want to keep you too long to-night, but this is so important. Beloved ones, I just want to touch upon one point in the financial world. Mankind have loaned money; mankind have had so-

called security; it is all the manifestation of the human. Mankind have said: "I am the owner of all this. This is mine," when the Presence of Life gave into their custody everything that exists to-day.

Therefore, mankind have loaned money—we will take that as an illustration—and then conditions arise and the individual who accepted it is unable to return it. Then, immediately hatred and condemnation begin to go out to that individual. Is it any wonder that those who loaned it never get it returned? Dear ones, there are many to-day who have money owing them. If they would dissolve instantly all feeling of irritation and disturbance about it, call on the Law of Forgiveness and charge the Power of the Presence forth to bless that individual with abundance, so that one might return it or its equivalent be brought from elsewhere, they would have it and they would also have happiness in the meantime.

Mankind have inverted these Great Laws, even the human law, to the extent that they constantly create immeasurable unhappiness for themselves all the time.

To-day, in the conditions which exist even in your beloved America, if it were not for the "I AM" Students in America, there would be absolutely no hope. There would not be a hope for a human being in America, if it were not for these beloved "I AM" Students who are making that call with great earnestness and intensity.

You hear Us urge and talk, but remember It is your Life. It is your vital existence which concerns you. We do not care to touch upon much of it, but beloved people in the Name of your God, your "Mighty I AM," if you had an inkling of the conditions that are existing in Spain, in China, Japan, Russia and Germany to-day, your hair would stand up. We know these conditions and there is no newspaper or individuals who can hide them. If the world knew the truth that existed in those places their terror would know no bounds because those people do not know where to gain courage, strength and energy.

Look, beloved ones, what is occuring with individuals who are in the malstrom of destruction. Do you know what they are doing? They are exhausting the energy accumulated for centuries and centuries in the intense dynamic powerful feeling which they are sending forth all the time. Now notice! If they are not condemning the opposition—the other armies, they are condemning the people who sent them forth, so there is

no escape. There is not one person in all that malstrom who is not hating one or the other condition.

What do you think that means in the future of those individuals, when to-day this Complete Eternal Release is before them if they could only reach and understand this Great Great Blessing which Saint Germain has brought forth? The world owes Him the honor and gratitude that in a thousand centuries it could not pay.

Therefore, to-night, I want you to feel how deep and great and powerful is My Love which I send forth with the Power of the Light Rays to envelope you forever; and as long as you will try earnestly to harmonize yourselves and give Me some little attention each day, so long will those Light Rays enfold you, to give you that Assistance to your Victory.

Remember, Oh it is not only your progress, the Expansion of your Light, but you beloved ones must be a Radiating Center and Focus of that Great Light and by the harmony in your feelings become a Great Out-post of Our Great Light. Mankind must have It or perish.

Think of it! Five hundred thousand individuals among the population of the earth knowing of a FULL POWER OF RELEASE FROM HUMAN LIMITATIONS! Then think what is the need and how you need to be such a Harmonious Focus of this Light that Its Great Cleansing, Purifying Activity can flow forth at any time—not necessarily just thru your body, but these Great Light Rays from your Higher Mental Body can go out in a limitless number. Please feel this.

I do not think that you have grasped this before, but remember in your call to the Presence, it does not mean that all of that has got to come forth thru your physical body, for what you require will flow forth there; but the Great Service is rendered by the projection of these Light Rays from your Higher Mental Bodies to render this Service to mankind.

It is magnificent beyond words. Do you see that you are not limited in that, not in the slightest? If you will understand this, you will see how transcendent is your opportunity for service and blessing to mankind, and then you will not feel so limited. Do you not see, how that one action would by its very increased intensity give you the full Feeling of your Freedom in a comparatively short time?

I say to our blessed ones, Mr. and Mrs. Ross, to-night, while I have been talking to you, Newark has had such a cleansing

as it has not had in many years. Now while you are on your feet, will you just kindly give Me an opportunity to assist you? As you give attention to your Presence, feel those Mighty Currents of Energy, intensified by My Assistance, rush in and thru your body and just sweep out every imperfection, every impurity—because We have established the Violet Consuming Flame over the floor of the room, and into that We draw the imperfection. Feel that flow in, thru and around every cell of your body and sweep out every imperfection, every limiting condition which is there and fill you with such joy and harmony that It will ever expand and stand guard to repel every desire to express any kind of discord in thought, speech or feeling.

With the Infinite Power of My Love, I charge this forth into action sustained that you may find happiness and release from human limitations and discord; that you may go forth true Ambassadors of Light, the Out-picturing of the Light and Power of your own God Presence, the "Mighty I AM." May that Glory and Light know no bounds and with this Limitless Power of Action continue to sweep in and thru, sweep in and thru, sweep in and thru you and your world; sweeping out every limitation and imperfection that has ever been drawn there!

By the Power of that Violet Consuming Flame which I have established over the floor of this room, I pour into It every one of your imperfections, that you may stand forth free from their influence in the future. To the degree that you will give obedience to My small Request, will you continue to find your Freedom expand and the Glory of the Light of God have Its Dominion in you and render this Service to you for your Freedom in the Light. I thank you.

· GEMS OF LIGHT ·

GODDESS OF LIGHT

Until individuals will clear out the doubts and fears of past accumulation, they will find those things manifesting in their Life, but that is a matter of the individual's choice. If individuals want to doubt Us, well it is quite all right; but they will pay the penalty for that doubt, because the doubt is the thing which shuts the door.

GODDESS OF LIGHT

Do you not see that the human of itself owns nothing in the physical world? All that of which It is custodian or all that it has for use is from the Presence of Life. Therefore, all channels in the human octave are governed by the Power of Life, if once It is given a chance to act. Of course you know It would not intrude Itself; but when you call for anything to come forth as a free Gift of Love, don't you see that Life must fulfill that; because you are not only calling to Life, which is the Producer of everything, but you are calling to the Ascended Masters, the Cosmic Beings whose Power It is to amplify and bring It forth.

GODDESS OF LIGHT

I want you to see, beloved ones, how practical all action of Life is. Of course in the past you have been taught all this greater activity of Life was mysterious, was occult, was this, that and the other thing which qualified it with such mystery that mankind only thought of the mystery instead of the Power of Life. Won't you see that? Won't you see how in all the old occult methods known, such mystery was thrown over all of these very simple things that are given forth today for the Freedom of mankind. People were made to believe they could not receive this, unless they went thru training and initiation. My dear ones, never in the history of the earth was such an initiation going on as among the "I AM" Students to-day, right in the world of human action.

GODDESS OF LIGHT

The accumulated charged energy of past centuries acting within the mass activity, and of course within individuals, to the degree that they are doubtful or inharmonious, is the thing which releases the mass activity into the feelings of individuals and which gives the greater volume to doubt; and causes the attention to be fixed upon things to which otherwise they would pay no attention. That is because some condition has released into their feeling world a greater activity, a more intense activity of that which has been the doubts and fears of mankind thru the ages.

GODDESS OF LIGHT

Until individuals will clear out the doubts and fears of past accumulation, they will find those things manifesting in their Life, but that is a matter of the individual's choice. If individuals want to doubt Us, well it is quite all right; but they will pay the penalty for that doubt, because the doubt is the thing which shuts the door.

GODDESS OF LIGHT

The Ascended Masters are not responsible for anyone of your victories or failure. They can and do assist you greatly, tremendously, to your Victory, but They are in no wise responsible. They are offering help in the kindest most powerful way known to exist; but the individual who thinks it is up to the Ascended Masters to charge that one's world with Perfection, regardless of his or her own qualification, is just making a mistake.

· LETO, BLESSED LETO ·

IT is our very great privilege to announce the release of a new song—"LETO, BLESSED LETO" by our Beloved Ascended Messenger, Godfré Ray King.

Thru this music and lyrics the Glorious Ascended Lady Master Leto will pour to those who direct their attention to Her, Her special Service to all who seek the Constructive Way of Life; and teach them how to go forth from the physical waking consciousness into the Octaves of Light

and return to the body consciously and at will; just as one goes thru the door of a room retaining full comprehension of all he or she is doing each moment. This service will never be rendered any one who is selfish or would misuse the information given.

Her Assistance will be given only to those who are obedient to the Highest Ideals and Honor of Life. Thru the use of the Violet Consuming Flame one can purify one's self to the point where thru the call to Blessed Leto, She will come and escort that individual to the Inner Octaves of Light; and help that one to the complete use of many of the faculties we all possess but know not how to use in their fulness. All can have that Assistance at all times, if they will understand this Ascended Master Instruction of the "I AM" and give obedience to Her Requests.

The cover design is the likeness of our Beloved Leto and a Gift of Love from our beloved May DaCamara whom we thank and bless without limit for her blessed service.

This song was first sung in the Philadelphia Class—which was held in Washington, D. C., and is dedicated to the city of Philadelphia. May it release the Mighty Cosmic Victory of Eternal Freedom and Divine Justice everywhere thruout that city and make of it an Eternal Alabaster City of Light for Freedom and Divine Justice to all mankind.

May everyone on earth use this song and call forth all Beloved Leto's Power to set all free as quickly as possible in the Eternal Victory of the Light of God that never fails.
